11.04.2018

To,

All the General Secretaries,
Constituents of the All Unions
and Associations of BSNL.

Comrade,

Sub: - **Conducting week long campaign against privatisation / strategic sale of Central Public Sector Undertakings – Call of the Central Public Sector Trade Unions - req.**

The Central Public Sector Trade Unions (CPSTU), an umbrella organisation of the trade unions in the Public Sector, conducted its meeting at Ernakulam on 08.04.2018. The meeting severely condemned the onslaughts that have been unleashed by the central government, on the Public Sector of the country. After serious deliberations, the meeting decided to conduct a week long campaign throughout the country, against the privatisation / strategic sale of Central Public Sector Undertakings, by the government.

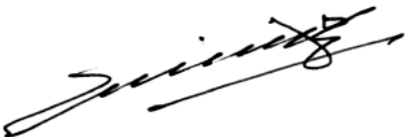

It is needless to mention that BSNL is facing severe attack from the government, which is trying to break BSNL by forming the Subsidiary Tower Company. You will agree that safeguarding BSNL without the support of the people of this country is impossible. There is an urgent need to make a serious campaign among the public, regarding the game plan of the government.

The AUAB has already given call to conduct dharnas on 12.04.2018 and 'March to Raj Bhawan' on 19.04.2018. In addition to this, we suggest that the AUAB can also join the week long campaign to be conducted throughout the nation, by the entire Public Sector trade unions. We suggest that the AUAB can observe this programme, by organising **street-corner meetings** throughout the country, from 07th to 11th May, 2018. Through this programme, we can effectively tell the people, how the government is harming BSNL. This programme by the AUAB, will further strengthen the movement to safeguard the Public Sector of the country.

We request you to kindly consider our suggestion seriously.

Thanking you,

Yours fraternally,

[P. Abhimanyu]
General Secretary
