Subject: Compassionate Ground Appointment of rejected cases -reg

The undersigned is directed to say that several instances have been reported in this office from different Telecom Circles wherein it has been requested to clarify whether a rejected case may be reconsidered if other dependent applies for his/her Compassionate Ground Appointment.

In this connection, it is clarified that such cases may be considered afresh if other dependent applies for his/her CGA by taking the date of application as the date when the other dependent applies for his/her own CGA as per the BSNL CGA policy prevalent at the point of time of consideration of the case. However the case of those applicants who have already been rejected may not be considered again.
