Madam,

Sub: - Inordinate delay in holding the National Council meeting - req.

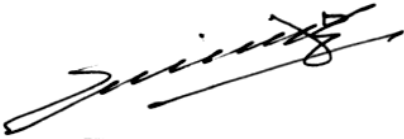

Our Union has pointed out time and again that the Corporate Office is not adhering to the time schedule for holding the National Council meetings. It will not be out of context to state that only the 35th meeting of the National Council has taken place, after the 7th Membership Verification, which was held in 2016. Whereas, the National Council meeting has to take place once in every three months, as per the orders of the Corporate Office.

It is needless to state that the National Council is the highest forum, where the issues of the Non-Executives are discussed. Non-adherence to the rules of the Corporate Office, with regards to the periodicity of holding NC meetings, leads to undesirable delay in the settlement of the grievances of the Non-Executives. The Staff Side has submitted the items on 23.02.2018, for discussion in the 36th meeting of the National Council. Despite this, the Management is yet to fix a date for holding the next meeting. Both the Recognised Unions, which constitute the Staff Side, have already informed to the GM(SR), of certain probable dates for holding the meeting of the National Council. But, we were told that the dates did not suite the Chairperson of the National Council.

We are aware of the fact that the Chairperson of the National Council is holding the portfolios of both the Director (HR), as well as the Director (Finance), as a result of which, she is very busy. At the same time, holding the National Council meeting cannot also be delayed unduly. At present, both the Recognised Unions have informed the GM (SR) that the next meeting could be held on 11th or on 12th June, 2018. We request you to kindly ensure that the 36th meeting of the NC takes place on anyone of these two dates.

Thanking you,

Yours sincerely,

[P.Abhimanyu]
General Secretary
