Sir,

Sub: - Severe rains and floods in Kerala circle – demanding to allot needful funds - req.

We wish to bring the following to your kind notice for favour of appropriate action.

You are aware that Kerala circle is facing the worst flood conditions, not witnessed in the past 50 years. The floods have caused extensive damage to our cables, equipments, installations, etc. Due to the rains and floods power supply is severely affected in most parts of Kerala. Hence, exchanges and other insulations are being run by using diesel.

For maintaining the services to extend support to relief and rescue operations, uninterrupted maintenance of the services is necessary. Hence, we request you to kindly ensure that sufficient funds are allotted to Kerala circle to purchase diesel, for running the services.

Also due to the continuous rains, the customers are not able to reach our offices for the timely payment of their bills. This may result in disconnection of their services. Hence, the pay by date of the landline bills as well as the mobile postpaid bills may kindly be extended. Similarly, the validity period of prepaid mobile connections may also please be extended.

Further, it is also requested that the needful funds may kindly be released to Kerala circle, for the restoration of the damaged cables, equipments and installations.

At this testing time, BSNLEU assures to stand with the administration, and also assures to extend it's fullest cooperation, for the restoration, as well as the maintenance of the services.

Thanking you,

Yours sincerely,

[P.Abhimanyu]
General Secretary
