Dear Shri Abhimanyu Ji,

Thank you very much for the New year wishes, I also thank you for all your cooperation to the Management and concern for the organization expressed in your letter dated 07.01.2021. I take pride in the fact that our Unions and Associations are progressive and sensitive and have always been playing a positive and constructive role for the growth and development of the company. While appreciating their significant role on various vital issues, the Management is confident of their continued support and contribution.

We always welcome the valuable suggestions and opinions of Unions and Associations not only for the financial revival of the company but also on the issues related to employees welfare. This is because I am of the firm view that the sustained progress of the company can be assured only by having a cordial relationship with the Unions and Associations which is based on sharing information, mutual trust and understanding.

Ever since I have taken over I have found that they have been proactively and voluntarily providing important inputs which were of immense use in decision making by the Management and they have, thus, contributed directly or indirectly to the outcomes of the Company which in turn has improved productivity and effectiveness of our delivery system.

As you are aware that BSNL has reported positive EBITDA for the half year ending 30th September 2020, after a gap of more than three years. Now when the financial position of BSNL is slowly returning back with the hard work of one and all, we hope to continue the same level of industrial relation and harmony.

So you are most welcome to give any feedback/suggestions for the betterment of BSNL and its employees. You are always welcome to meet the undersigned(physically or through VC) at a mutual convenient time.

I look forward to having continued support of your Union in particular or all Unions and Associations in general.

With warm regards.

Yours sincerely,

(P.K.Purwar)

Shri P. Abhimanyu,
General Seceretary,
BSNL Employees Union,
New Delhi.
