Sir,

Sub: - Memorandum of understanding signed with Fiber Home – requesting to share the details - req.

We wish to bring the following to your kind notice.

We have come to know through media reports that BSNL has inked a Memorandum of Understanding (MoU) with Fiber Home, for the manufacturing of telecom equipments and optical fibre cable in BSNL factories.

BSNLEU has long been demanding that the elaborate infrastructure and manpower of the telecom factories owned by BSNL, should be utilised in a better manner, for the manufacturing of various equipments required by the Company. BSNLEU has also demanded that fresh recruitment in the technical cadres, should be made for the telecom factories, to facilitate such productions. However, this demand has been neglected by the Management.

Now that BSNL has signed an MoU with Fiber Home, naturally a question arises as to how the existing employees are going to be utilised, while implementing this MoU. We once again reiterate that implementation of any scheme, which will have a bearing on the existing manpower, should be discussed with the Recognised Union sufficiently in advance. Hence, we request the Management to kindly share the details of implementation of the above mentioned MoU.

Thanking you,

Yours sincerely
