Sir,

Sub: - **Devastating rains and resultant damages to BSNL networks in Kerala circle - requesting to rush requisite funds – req.**

We wish to urgently draw your kind attention to the following, for favour of necessary action.

As you are aware, torrential rains are lashing out Kerala state for the past so many days. As a result, the circle has suffered heavy loss and damages to BSNL's exchanges, towers, cables, etc. It is reported that Ernakulam, Calicut and Malappuram Business Areas have faced severe damages. In addition to this, the continuous power failure is compelling BSNL to spend a huge amount for purchasing diesel, so that our networks can be kept running.

Under these circumstances, the BSNL officers and employees are taking all out efforts to restore the damaged networks, so as to provide uninterrupted communication services, for carrying out the relief and rescue operations. The dedicated services of the BSNL officers and employees of Kerala circle are being lauded by the media.

At the same time, it is needless to state that the Kerala circle has to be provided with sufficient funds by the Corporate Office, so that the damaged networks could be restored at the earliest. We are informed by our Kerala circle union that, the Kerala Circle Administration has already sought allotment of funds.

We request you to kindly look into this and cause to immediately rush the requisite funds to Kerala circle.
Thanking you.

Thanking you,

Yours sincerely,

[P. Abhimanyu]
General Secretary
