Sir,

Sub: - **Arranging Health Insurance to the willing employees, in addition to the BSNL MRS – req.**

We wish to bring the following to your kind notice, for favour of necessary action.

Due to the difficulties presently being experienced by the employees, in getting medical reimbursement under the BSNL MRS, many employees have already taken their own Health Insurance Policies. Further, many employees have also approached our Union, requesting to take steps for arranging Health Insurance Policies for them, at reasonable premium rates. After detailed discussions, BSNLEU has decided to approach the Management with the following suggestions.

This Health Insurance Policy can be availed by willing employees, in addition to the existing BSNL MRS. It will be a temporary arrangement, till the financial position of the Company improves. In this scheme, the role of the Management will be that of a "facilitator". The premium amount can be deducted from the employees' salary and can be remitted to the insurance company by the BSNL Management, on the analogy of the GTI scheme.

The above stated arrangements will certainly enable the employees to get the Health Insurance Policy at reasonable premium amounts. We earnestly implore upon the Management to kindly consider doing this as a welfare measure for the employees.

Thanking you,

Yours Sincerely,

[P. Abhimanyu]
General Secretary
