Sub: - **Holding of National Council meeting and submission of agenda items – req.**

Sir,

Please recall the discussion held in the Formal Meeting with Director (HR) on 18.02.2026, wherein we requested that the National Council meeting be convened without further delay for the settlement of pending staff issues.

The last National Council meeting was held on 13.01.2025. Although a Formal Meeting was subsequently held on 18.02.2026, it is unfortunate that most of the issues raised by the Staff Side remain unresolved. In the meantime, both the Recognised Unions have submitted additional agenda items that require urgent consideration and settlement.

In view of the above, the Recognised Unions request the Management to convene the National Council meeting in the first week of July 2026 to discuss and settle the pending and pressing issues of the Staff Side. The agenda items have already been submitted for your ready reference (copy of the Staff Side letter attached herewith).

We hope that necessary action will be taken to hold the National Council meeting at the earliest.

Thanking you,

Yours sincerely,
