Sub: - **Holding of the 10<sup>th</sup> Membership Verification in BSNL - req.**

Sir,

We are writing this letter in continuation of the discussion held with you on the 9th instant. In that meeting, we had brought to your kind notice that the 9th Membership Verification in BSNL was conducted on 12th October, 2022, and that the Management has not taken any action so far for conducting the 10th Membership Verification.

Based on the results of the 9th Membership Verification, recognition was extended to BSNLEU and NFTE for a period of three years. It is needless to state that the recognition period of both the unions will expire on 16th October, 2025. In view of this, we urge upon the Management to take immediate steps for conducting the 10th Membership Verification expeditiously.

BSNL being a large PSU with a considerable number of Non-Executive employees, it would require a minimum of three to four months for the Management to complete the process of conducting the 10th Membership Verification. During this period, there would be no recognised union in BSNL to represent the grievances of the Non-Executive employees before the Management. This would lead to an undesirable situation where there is no recognised union to espouse the cause of the Non-Executive employees.

In view of the foregoing, we earnestly request the Management to kindly consider granting an extension for the recognition period of both the recognised unions at least for a period of three months. We request the Management to kindly consider this demand, keeping the larger interests of the Non-Executive employees in mind.

Thanking you,

*Yours sincerely,*
