

(8) Considering the request transfers of DR JEs.

It has been brought to the notice of BSNLEU that, many DR JEs, who have already completed the stipulated period of service in the circles to which they are recruited, have applied for transfer under Rule 8, to their native circles. Even though, they are entitled for these transfers as per Rules, the Management is not effecting their transfers under the pretext of 'staff shortage'. On one side, the Management had retrenched around 80,000 employees under VRS, on the plea that they were in surplus. However, after implementing the VRS, the Management is not implementing transfers on the plea of 'staff shortage'. BSNLEU strongly demands that the legitimate right of the DR JEs, to go on transfers as per their entitlement under Rules, should not be denied. It is requested that, all the DR JEs, eligible to go on transfer under Rule 8, should immediately be relieved.
