Sir,

Sub: - **Seeking intervention to stop a possible collapse of STR – req.**

We wish to bring the following to your KIND notice, for favour of appropriate action.

Nearly 325 contract workers are engaged in the maintenance of the OF route in the STR. They have not been paid wages for the past 13 months. Having waited for the payment of their wages for a long period, it is reported the contract workers are a dejected lot now and have decided to stop the work.

STR Network collapse will become imminent, if the faults are not attended to, as and when they occur. Since the contract workers have decided to stop the work, the network will certainly collapse when a fault occurs.

In view of this, the leaders of the AUAB have discussed this issue with the CGM, STR, yesterday the 03-08-2020 and have requested him to do the needful, so that the contract workers can get some relief, and thereby the maintenance of the OF route can be continued.

The AUAB leaders have also prevailed upon the contract workers not to stop the work, and have assured them that, efforts would be taken for the early payment of their wages.

In view of the foregoing, we request you to kindly look into the matter and to do the needful, to avoid any breakdown of the OF network of the STR.

Thanking you,

Yours sincerely,

[P. Abhimanyu]
General Secretary
