Sub: - **Lack of fairplay and transparency in the selection of coaches by the Sports Cell of the Corporate Office - requesting for your kind intervention - req.**

Sir,

We wish to bring to your attention the biased approach demonstrated by the Sports Cell at the Corporate Office regarding the selection of coaches. Despite calling for applications nearly a year ago, the list of eligible coaches has not been circulated. It has come to our notice that non-eligible coaches are being sent to various events, while highly qualified individuals, such as NIS-certified Athletics coaches, are being bypassed.

This not only undermines the credibility of the selection process but also discourages upcoming and qualified coaches across various disciplines. We request your immediate intervention to ensure transparency and fairness. The list of eligible coaches and technical delegates should be circulated at the earliest, giving due consideration to those who have met the necessary qualifications.

In view of the foregoing, we request you to kindly intervene on this matter and to ensure fair play and transparency in the selection of coaches.

Thanking you,

*Yours sincerely,*
