Madam,

Sub: - Polling stalled in three booths in Kolkata Telephones circle - requesting to take appropriate action - req.

We wish to bring the following issue to your kind notice, for favour of necessary intervention and appropriate action.

It has been brought to our notice that, polling has not taken place in three polling booths of Kolkata Telephones Circle.

Polling could not be conducted in booths No.16 & 17, in Jadhavpur area, since contract workers have closed down the exchange gate, due to non-payment of their wages. The polling personnel and the employees could not enter into the booth. It is also reported that the police had remained as a mute spectator.

Similarly, in booth No.13 of the South Area, voting has started. However, after 6 voters casted their votes, contract workers closed down the gate. Thereafter, employees could not enter into the booth. Here also, police had remained as a silent spectator.

Due to the developments as narrated above, polling has not taken place in booths No.13, 16 & 17 in Kolkata Telephones Circle. Hence, we strongly demand that, the administration should intervene and take appropriate action, so that the employees who have not casted their votes, get the opportunity to vote.

Thanking you,

Yours sincerely,

[P. Abhimanyu]  
General Secretary
