Madam,

Sub: - Rule-8 transfer cases of the DR JEs posted in remote circles - req.

Ref: - **Our letter of even number dated 25.10.2016.**

We wish to bring the following to your kind notice, for favour of appropriate action.

A good number of DR TTAs, working in the remote circles of Assam, NE-I, NE-II, J&K etc. They have already completed the requisite years of service and have already applied for Rule-8 transfers. Even though they are waiting for their transfers for many years, they are not transferred, on the plea that there is acute shortage in the circles where they are working.

The issue was taken up by BSNLEU in the 34<sup>th</sup> meeting of the National Council held on 10<sup>th</sup> March, 2016. It was replied that this problem would soon be settled, since recruitment of DR TTAs was being done. However, we are sorry to state that, there is no improvement on this issue. These employees are suffering for long years without any relief.

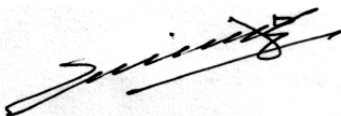

All these officials have appeared in the last JTO LICE held on 11.12.2016. After passing this exam, these officials cannot go on transfer to the circles where they are waiting for long to go, as their eligibility for Rule-8 transfer will cease due to change of cadre on promotion. As such they will be forced to stay further 5 years for eligibility.

In such a situation, we suggest that immediately after promotion as JTOs, these officials may kindly be considered eligible for transfer under Rule 8, by counting their previous service in the TTA cadre. We request the BSNL Management to accept our proposal, taking into consideration, the special circumstances prevailing in the North Eastern circles.

Hence, we request you to kindly look into the matter and to do the needful.

Thanking you,

Yours sincerely,

[P. Abhimanyu]  
General Secretary
