Respected

Ashwini jee,

I am in receipt of a memorandum from a group of district secretaries of BSNL, Manipur in connection with discrepancies in the fixation of pay amongst the employees of the BSNL.

According to the memorandum while Chief General Manipur, Principal General Managers and General Managers got their pay as per 7th CPC other lower cadres of staff Executive and Non-Executives are deprived of the pay revision. There seems to be a case of pay anomaly amongst the employees of BSNL.

I would like to request your goodself kindly to look into the matter so that justice is meted out to the frustrated employees.

A copy of the memorandum as received is enclosed for kind personal.

With warm regards

Yours faithfully,

✓ Shri Ashwini Vaishnaw
