Sub: - Declaring the results of the JTO LICEs conducted in Punjab circle for the Vacancy Years 2015-16, 2016-17 and 2017-18 – requesting to take necessary action to mitigate the sufferings of the young employees who are denied of their promotion - req.

Sir,

We wish to bring the following for favour of your kind consideration and necessary action.

BSNLEU is repeatedly raising the demand of declaring the results of the JTO LICEs conducted in Punjab circle for the Vacancy Years 2015-16, 2016-17 and 2017-18. We have already brought to your kind notice that, the results of the aforementioned JTO LICEs are already declared in other circles and the successful candidates have already been promoted. But, in Punjab circle, the results are not declared, as a result of which the deserving candidates are denied of their JTO promotion.

Earlier, the results could not be declared due to the pendency of court cases. But, no court case is pending as of now. As such, the Management can very well declare the results of the aforementioned exams, so that the successful candidates can get JTO promotion.

BSNLEU is repeatedly requesting the Management to resolve this problem. The issue was discussed by BSNLEU in the meeting held with the CMD BSNL on 28.10.2024. The Director (HR) was also present in the meeting. The CMD BSNL was very sympathetic towards the issue and assured that some positive action would be taken.

Under these circumstances, we are once again writing to you with the request to find an early solution to this long pending issue. The issue may kindly be discussed with the CMD BSNL and necessary remedial action may kindly be taken early, to mitigate the sufferings of the deserving JTO LICE candidates of Punjab circle.

Thanking you,

Yours sincerely,

[P.Abhimanyu]
