Sub: - **Taking over of MTNL's operations in Mumbai and Delhi, by BSNL – requesting to provide necessary financial assistance to BSNL, for the restoration of networks- req.**

Respected sir,

We wish to bring the following to your kind notice for favour of information and necessary action.

The BSNL Management has informed the Recognised Unions and Associations that, BSNL is going to take over MTNL's operations in Mumbai and Delhi. In this connection, it is our duty to point out that, the mobile and the other networks of MTNL in Mumbai and Delhi, are in shambles. This is because, neither expansion of the network nor due maintenance of the networks, has been carried out by MTNL for the last several years. If BSNL is to provide mobile, FTTH and other services in Mumbai and Delhi, the Company has to first restore these networks.

As everyone is aware, BSNL is just coming out of it's financial crisis. Under such a situation, if BSNL is burdened with the responsibility of spending a huge amount for restoring the networks in Mumbai and Delhi, it will severely affect BSNL's financial condition.

In view of the aforementioned facts, we request you to kindly examine the matter and to ensure that, BSNL is provided with the necessary financial assistance for restoring the networks in Mumbai and Delhi. If BSNL is to take over the operations of MTNL in Mumbai and Delhi, without the requisite financial assistance from the Government, it will badly affect the financial condition of BSNL.

In view of this, we earnestly urge upon you to kindly look into this issue and to ensure that BSNL is provided with the necessary financial assistance.

Thanking you,

Yours sincerely,

[P. Abhimanyu]
General Secretary
