Sir,

Sub: - Non-handing over of the subscription money of the unions and associations deducted from the salary of the employees – req.

Ref: - (i) BSNLEU letter no.BSNLEU/401(PAY) dated 24.09.2019.  
(ii) BSNLEU letter no.BSNLEU/401(PAY) dated 16.10.2019.

Kindly refer to our letters cited above, vide which we have already drawn your kind attention to the hardships being faced by the unions and associations, due to the non-handing over of the union subscription money, being deducted from the salaries of the employees. In this connection, we wish to urgently bring the following to your kind notice.

The union subscription money, being deducted from the salaries of the employees, is not being handed over to the unions and associations, by the Administration, ever since May, 2019. During this period, the unions and associations have faced the 8<sup>th</sup> Membership Verification, for which sizable amount of money has been spent on account of printing of posters, leaflets, travelling expenses, etc. In addition to this, the unions and associations at the district, circle and All India levels have also managed their day to day expenses, without receiving the union subscription money deducted from the salaries of the members.

In view of the aforementioned reasons, the unions and associations at the district and circle levels have run out of funds and thus, are unable to carry out their day to day functions. It is needless to state that, the unions and associations are facing a serious crisis on account of this. We are aware that the financial crisis being faced by the Company is far from over. At the same time, it is also true that the unions and associations are virtually paralysed unable to function any more, without funds being released by the Management.

In view of the foregoing, we request you to kindly look into the issue and arrange to release the union subscription money of the unions and associations, that is lying with the Management.

Thanking you,

*Yours sincerely,*
