Sir,

Sub: - **Non-supplying of printed study materials for JTO trainees – req.**

We wish to bring the following to your kind notice for favour of necessary action.

As you are aware that, the JTO induction training is under way in various training centres. It has been brought to our notice by the trainees undergoing training at RTTC, Trivandrum, that no printed material is being supplied to the trainees. The training centre is providing only soft copies. Already, soft copies running into 2,000 pages have already been provided to the trainees. The same is the condition in the other training centres also.

In this connection, we would like to bring to your kind notice that, only very few trainees may be having laptops of their own. The other trainees will have to read the soft copies only on their mobiles. It is needless for us to mention how difficult it would be to read 2,000 pages of materials on the mobile.

Definitely, this will drastically affects the ability of the trainees to assimilate the subject. Financial crunch being faced by the Company should not come in the way of providing good quality training to our JTO trainees.

In view of the foregoing, we earnestly urge upon you to kindly intervene in this matter and to ensure that, printed materials are supplied to the JTO trainees.

Thanking you,

*Yours sincerely,*
