Press statement

Dated: 07.12.2020

BSNL Employees Union (BSNLEU), is fully supporting the demands of the Farmers' Organisations, calling for the repealing of the Farm Acts, undemocratically passed in the last session of the Parliament. BSNL Employees Union fully shares the apprehensions of the Farmers' Organisations, that the recently passed Farm Acts will take away the Minimum Support Price being offered by the government and will also open the doors wide open to the lootings by the big corporates. BSNLEU is also fully supporting the demand of the Farmers' Organisations, calling for the total withdrawal of the Electricity Bill-2020.

BSNL Employees Union has already organised lunch hour demonstrations throughout the country on 03rd December, 2020, supporting the agitation as well as the demands of the farmers. BSNL Employees Union is also fully supporting the Bharat Bandh, being organised tomorrow, in support of the farmers' agitation and their demands.

The Union has called upon it's circle and district branches throughout the country, to once again organise lunch hour demonstrations tomorrow and also to wear the badges supporting the farmers' agitation and their demands.
