Sir,

Sub: - **Unwillingness of the CGM, Karnataka, to discuss the issues of manpower management and network maintenance with the unions and associations – seeking your kind intervention – req.**

We wish to bring the following to your kind notice, for favour of necessary intervention and appropriate action.

The All Unions and Associations of BSNL (AUAB), Karnataka circle, vide their letter no.AUAB/CGMT/Ktk/Corr CHQ 19-20 dated 21st January, 2020, (copy enclosed) has brought to our notice that, the CGM, Karnataka circle, is not discussing with the unions and associations, about the issues of manpower management and network maintenance, in the post VRS scenario. It has also been brought to our notice that the AUAB, Karnataka circle has already submitted an agenda for the discussion and that the CGM has not fixed any date so far, to discuss the issues.

It is needless to mention that the unions and associations in BSNL are contributing their mite for improving the financial condition of the Company, as well as the quality of it's services. As such, it is incumbent on the part of the circle as well as the district administrations, to invite the unions and associations for discussing about the maintenance of our networks and providing satisfactory services to our customers. In this regard, we wish to state that the unwillingness being shown by the CGM, Karnataka circle, is highly unfortunate.

While requesting you to kindly give necessary advise to the CGM, Karnataka circle, for holding prompt meeting with the unions and associations of Karnataka circle, I would also like to request you to issue a general guideline to all the heads of the circles, for holding discussions with the unions and associations, regarding the issues of manpower management and maintenance of our networks, in the wake of implementation of the VRS. We fervently hope that these interactions would enable us to handle the present situation in a better way.

Thanking you,

Yours sincerely

[P. Abhimanyu]
