Sir,

Sub: - **Using of sub-standard materials for the maintenance of BBNL OFC in Punjab and Haryana circles - req.**

We wish to bring the following to your kind notice, for favour of necessary intervention.

It has been brought to our notice that, sub-standard materials are being used by the contractor, in the maintenance of BBNL's optic fibre cables in Punjab and Haryana circles. It is needless to state that, the Gram Panchayat lines are working on these cables. It is reported that, the contractor is using sub-standard OFC cables and OFC joint closures.

As a result of using sub-standard materials, the fault may be closed immediately. However, there is every possibility of these cables becoming faulty once again. This will cause a very big problem in the maintenance of the OFC and the GP lines.

In view of this, we request you to kindly look into this matter and to ensure that standard materials are utilised for the maintenance of OFC in the above mentioned circles.

Thanking you.

Yours sincerely,

(P.Abhimanyu)
General Secretary
