Sir,

Sub: - Acute delay in the payment of wages of contract workers - resultant deterioration of the networks - req.

We wish to bring the following to your kind notice for favour of needful intervention.

We have already brought to your kind notice, about the acute delay in the payment of wages of contract workers. Wages are not paid to the contract workers for the past so many months. This is true in the case of all the circles.

We are aware of the fact that, BSNL is under severe financial strain, as a result of which, even payment of salary to the regular employees, as well as payment of electricity bills, have become difficult. Still, it is a matter of worry that wages of contract workers are not paid for the past so many months.

You will agree that, the contract workers are engaged in the maintenance of BSNL's networks, like cables, lines, BTSs, etc. Due to the non-payment of the wages of the contract workers, continuously for many months, the maintenance of these networks are affected.

You will also agree that the contract workers of BSNL, belong to the most downtrodden sections of the society. The families of the contract workers are thus, facing starvation due to the non-payment of wages for months together.

While appreciating the financial problems of the Company, we request you to kindly ensure that some funds are released by the Corporate Office, so that at least a portion of the wage arrears of the contract workers is cleared immediately. This will avoid further deterioration of the quality of our networks, and also will avoid starvation deaths in the families of the contract workers.

We hope that you will kindly look into this issue on a priority basis, and will do the needful immediately.

Thanking you,

Yours sincerely

(P. Abhimanyu)
